MEMORANDUM FOR: Deputy Director (Support)
THROUGH: Office of the General Counsel
Office of the Comptroller
Special Support Assistant to DD/S
SUBJECT: Storage of Effects of [REDACTED] 25X1A9a

25X1A9a 1. [REDACTED] entered on duty with this Agency on 8 February 1951 from a retired military status. Initially he retained his military retired pay and the Agency paid him \$50.00 per day under an excepted appointment. Public Law 53, 82nd Congress approved 26 June 1951, permitted this Agency to employ 15 retired commissioned or warrant officers of the armed services who could continue to receive their military retired pay or be appointed in a civilian capacity, but could not be paid from both the military and civilian sources. [REDACTED] status, as a result of Public Law 53, changed to that of a civilian GS-18 effective 1 September 1951 while he was serving in [REDACTED]. His retired military pay then ceased.

25X1A9a 2. [REDACTED] effects were stored in March 1951 prior to his departure from the United States. He arrived in [REDACTED] on 25X1A6a
25 April 1951. It is the General's best recollection that [REDACTED] 25X1A9a
[REDACTED] indicated that the Agency would pay the cost of storage.
